

Semi-automatic stretch wrapper economic FS310 / FS330

**Benefits**

- Economic Solution for small consumers of films
- Secure and highly reliable machine
- Available in different compositions and dimensions turntable
- Control Panel:
 - OP1 with fixed parameters
 - OP2 with adjustable parameters
- Maintenance counter to optimize the service life of the machine
- Trolley available in two versions film unwinder :
 - C1 : mechanical film brake, pressure regulator adjustment
 - C2 : mechanical film brake, adjust using the adjusting screw
- Photocell for detection of the height of pallet
- Column articulated fixed diagonal, easy installation, place economy solution (patent FROMM)
- Engine covered for protection

Tray open, easy to load with a hand pallet truck. Equipped with a safety device for legs

Easy to move using a forklift

Down wrapping on turntable

Caractéristiques

OP1 / OP2	FS31x	FS33x
Adjustable speed turntable	-	Max. 15 rpm
Adjustable speed carriage	-	Max 60 Hz
Adjustable bottom wraps	-	X
Adjustable top wraps	-	X
Maintenance counter	X	X
Programs selection	-	X
Automatic program	X	X
Manual program	-	X
Parameters block by password	X	X
Photocell for pallet height detection	X	X
Inverter carriage	X	X
Inverter turntable	X	X
Space saving machine with diagonal hinged mast (BREVET FROMM)		
Turntable height in mm	75 mm	
Max. loading capacity ø 1 500 mm turntable	1 350 kg	
Max. loading capacity ø 1 650 mm turntable	2 000 kg	
Max. loading capacity ø 1 800 mm turntable	2 000 kg	
Max. loading capacity ø 1 650 mm horse shoe turntable	1 250 kg	
Max. pallet height for coluum 2 200 mm	2 100 mm + 100 mm	
Max. pallet height for coluum 2 500 mm	2 400 mm + 100 mm	
Max. pallet height for coluum 2 800 mm	2 700 mm + 100 mm	
Carriage	C1 / C2	
Max. height of film core	500 mm	
Max. diameter of film core	250 mm	
Power supply	230V / 1 phase	
Installed power	1 kW	
Weight	500 kg	
IP	IP54	

Options

OP1 / OP2	FS31x	FS33x
Carriage movement by joystick	-	X
Photocell for pallet height detection (for dark goods)	X	X
Gearbox / Chain tension reducer (FROMM PATENT)	X	X
Loading ramps	X	X
